## 3 Kinds of file activities in sidebar

- new files (files attached to unread messages) (GREEN)
- new versions of existing files (BLUE)
- comments on existing files (my files, other people's files) (ORANGE)

The sidebar displays these activities in chronological order

User can filter through the dropdown on the top right to see activities on all files or just on his/her files

to me

Hi Amir,

Just to complete my paperwork here, can you please review this Statement of Work and let me know if you have any comments?

Thanks,

Michel.
